**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose LMI because they are local and awesome. They provide competitive service and pricing. I live in the Bay Area and I am still faced with few internet provider options! We need more! This internet is critical not only to my home but business as well. Please reconsider legislation that would eliminate these providers from being able to provide.
